SUNSET SAILING ON A PARADISIAC ISLAND

Discover how magical a sunset can be in Madeira, in a sailing trip that, leaving the Marina of Funchal, takes you along the former sea route that used to bring passenger and cargo to and from the main city. If the wind is good, we will set sails and calmly take pleasure of this moment!

A romantic trip where you can enjoy a unique and colourful sunset over the sea and the wild coast of this beautiful island.
