Customized Tour to te City of Porto!

With striking contemporary and timeless attractions, an expanded airport (to which a larger-than-ever number of airlines fly every day), a new state-of-the-art metro, and a renovated World Heritage center, there's never been a better time to visit Oporto. You should allow at least two days to get the full taste of the city (and yes, of the wine too), and if you wish to add more time, you can always use Oporto as the gateway to the treasures found in Portugal's northern cities (such as [Braga](#), [GuimarÃães](#), and [Viana do Castelo](#)), as well as the spectacular [Douro Valley](#). Allow us to customize your visit.
