Ficha viaje

Caldeirão Verde - Caldeirão Verde

If you enjoy walking, you will be spellbound by the unique experience of joining us on one of our Madeira Levada Walks. We offer our clients some excellent walking alternatives on this enchanting island of Madeira. Most of the walks on Madeira Island are accompanied by a vital element; water, and an ancient Forest which has survived from the tertiary era; our Laurissilva Forest (UNESCO World Heritage site). These factors make walking on Madeira island totally unique. Here are our suggestions for walks, to make your holiday in Madeira truly unforgettable.

Resumen del viaje

Luxuriant vegetation, plentiful water, natural tunnels and amazing views are some of the features of this fantastic walk.

Caldeirão Verde levada walk Caldeirão Verde levada walk

Distance: 12 Km Approximately

Duration: 4 hours and a half.

Includes: Official Mountain Guide, transport and insurance (Required by Portuguese law)

Difficulty: Moderate.

Note: Vertigo and tunnels

Itinerario ampliado

This is with no doubt one of the most beautiful levadas in Madeira Island. It is located in the Laurissilva forest and its main characteristics are certainly the predominant emerald-green colours, the fantastic views of S. Jorge and the large presence of water in almost all the journey. After going through five tunnels of natural basaltic rock we can delight in the waterfall of Caldeirão Verde, a beautiful waterfall with crystal clear water.
