## Itinerario ampliado

### Day 1

Welcome day

Pick up in the airport and transfer to the accommodation.

Small presentation about Natura Team and overview of your holidays. Optional boat tour experience in Ria Formosa Natural Park (not included on the price, according with your time arrival).

### Day 2

Quad Bike tour around Silves

Full day experience

We will drive to Silves and explore the mountain areas around Monchique hills. The tour begins with full guidance and safety tuition. You will get surprised with the amount of orange, lemon orchards, the red sand and the peaceful landscape. Near Bravura dam enjoy the shade and taste our great pick nick. Continue the tour back and make a stop in one of the cafes near the road.

### Day 3

Speed boat tour and marine life watching

Half day experience

Perfect opportunity to have fun at the sea at the same time you search for marine life and dolphins. Going out from Olhão explore the sea along the southern most point of continental Portugal. During this tour discover the differences between navigation on the sheltered waters and the open sea. Surprise yourself with the existence of marine life... fish, plankton, dolphins, marine birds... During the afternoon you can choose between stay at the beach in one of the Islands or return to mainland.

### Day 5

Free day

We recommend exploring the area around your accommodation or go for a walk along Ria Formosa Natural Park.

### Day 6

Kayak in Guadiana River

Ful day experience

Guadiana is the largest river in Algarve and its makes the border with Spain and Alentejo. This is also the most peaceful area of area, but perfect for a full day experience along the river. We can choose tp have lunch along the river borders or in a local restaurant. In which one of the cases, the flavors will be delicious.
