River Douro 2 Day Cruise Entre Douro e Varosa Porto - Régua - Vila Real - Lamego - Porto

Leaving Porto, the boat passes under some of the famous high level bridges. The urbanization of Porto is quickly left behind and the steep banks have villages and riverside homes. As the journey across Portugal takes place, the boat is raised by a series of locks, some being the highest in Europe. A 2 day program where you can enjoy all that the Douro has to give.
