"First trip to a WRC event abroad, brilliant, instructions to stages were perfect, well organised ..."

Stuart Wilson describes their experience of this rally.

Rally Spain-Catalunya will be the final round of the 2012 WRC, PWRC, SWRC and WRC Academy so expect a large quality entry, some fantastic action on the stages and some equally exciting after-rally parties as the season comes to a close under the Autumn sunshine of the Costa Dorada!

Rally Travel will make sure you get to the best of the action by providing our exclusive Rally Info Pack comprising of directions & GPS co-ords for all the stages, & a unique map book comprising of A3 sized pages of the rally stages using a 1:50,000 scale.

(With some new stages planned for 2012 it is worth noting that we do not sell our Info Packs & Map Books separately, & there will be little other stage information available in English prior to the event...)

We also have a Fully Escorted Tour (Tour Code CATGOLD) available for those who prefer not to drive themselves to the rally stages each day.

Our Legendary pre-rally Welcome Evening & Charity Auction took place on Thursday evening in 2011 and our guests included ALL the top WRC Teams and Drivers including Sebastien Loeb, Mikko Hirvonen, Petter Solberg, Jari-Matti Latvala, Henning Solberg, Matt Wilson, Ken Block, Sebastien Ogier & PWRC champion Hayden Paddon!

CATGOLD - 5 night Escorted Tour from 650 euros pp! (Wednesday 7th - Monday 12th November)

Our Escorted Tour is ideal for those guests who wish to relax and let Rally Travel take care of the transport to the rally stages each day.

Our experienced team will create an exciting and varied itinerary which will take you to the best of the rally action across all 4 days of the rally, starting with the Shakedown Stage on Thursday morning and finishing with the 'After-Rally Parties' on Sunday evening.

Combined with our excellent 4 star hotel (2 Swimming Pools, Gym, Sauna, air-conditioned rooms etc) just a few minutes walk from the Beach and the PortAventura theme park it has all the makings of a great October 'sunshine' break!

One of the highlights in 2011 was the auctioning of a replica Sebastien Loeb helmet for 1000E by the man himself, and the sight of the Solberg brothers trying to outbid each other for a signed Chris Atkinson cap in 2008!
